

致全国各地进行翻转课堂实验的学校和研究者，

翻转课堂的积极推广者之一的美国 Jon Bergmann 先生在征集各国的翻转课堂的案例。计划在他做 TED 演讲的时候向听众展示。他的原始的电子邮件附上，信息供参考。

应我的要求他也提供了照片实例。如果有学校和研究者愿意分享中国翻转课堂案例的照片，请将照片，填好的知情同意书，以及联系人姓名、单位和联络信息发给我 (baohui.zhang@snnu.edu.cn)，好吧？由于照片本身能够揭示的信息有限，不一定能够让跨国、跨文化的国际同行看懂，最好辅以说明文字、相关的文章、研究报告，好吧？由于时间紧，本人精力有限，只能告知收到材料和入选照片。如果没有收到入选通知，就默认没有入选，好吧？非常感谢您的理解和支持。

主题: Re: Re: TEDx Picture request

Dr. Zhang. I will be showing examples of flipped classes around the world. I will say: " Here is an example of a flipped class in the US (picture of flipped class in the US), in China (your pic), in Argentina (Argentina pic). So I want just one awesome image of a flipped class that I will show for about 5 seconds. Here are a couple of examples

Does this make sense? Jon

Spain

主题: TEDx Picture request

Dr. Zhang

I will be giving a TEDx talk in September and I would like to include a brief picture highlighting your school in action. The gist is that I will be highlighting where flipped learning is happening and happening well across the world. TED though has a very strict policy on images. I can only use images that I have the rights to. Do you have an image of what a typical flipped class looks like in China that I could have permission to use during the TED Talk.

I have attached the photo release form that I will need to be signed. Thanks. Jon
